#### Class Update

This week our activities were **Christmas** themed. We made tricky word Christmas trees and wrote Christmas lists. We counted presents and gingerbread houses. We made snowflakes and other Christmas crafts. We turned the decking into Santa's Workshop and practised wrapping presents. We also learnt about how Christmas is celebrated around the world. Wrens focused on Christmas in Australia. We also enjoyed a Christmas church service led by Year 5.

During the last two weeks we have been reviewing all our phonics sounds and tricky words. We also completed our Autumn 2 assessments and an update has now been glued in the Reading Records.

In maths, we focused on our number formation (1-5). The children are getting much better and we are seeing less number reversals. We also worked on 1 more and 1 less than a given number.

We enjoyed our last dance lesson this week and we even danced with a partner. It was tricky moving in time with our partner. We also had a balance bike workshop on Tuesday and the Reindeer Run on Thursday. The children enjoyed both very much. It has been an active week!

In the bookbags you will find the Home Link book, a new sharing book, a folder with the Reading Record and another wordless book or decodable book. You might also find lots of Christmas cards!

Have a wonderful holiday!

Mrs Davies
