Class Update

This week our theme was **Transportation**. The children compared vehicles from the past and present. They looked at photographs of the first cars and airplanes. We used our phonetic knowledge to write the names of vehicles. Some of the children even wrote their first sentence!

In phonics, we learnt the sounds air and er. We also started reading longer words with double letters such as ladder, hammer, letter, bigger, rabbit, rubber, carrot, toffee, hidden and kitten. We learnt three new tricky words are, sure and pure. Thank you to the parent readers who came during the afternoons to listen to the children read. The children's blending and fluency is really coming along.

In maths, we consolidating number bonds to 5. We also used the balance scale to compare mass and started measuring the mass of classroom objects.

In PE this week, we carried on with our ball skills and dance. In PSHE, we discussed safety indoors and outdoors. We looked at photos of a classroom, kitchen, bathroom and playground and identified the potential hazards.

In the bookbags you will find the Home Link book, a new sharing book, a folder with the Reading Record and a decodable book. **We will start changing the reading books on Mondays as well so the children will get two reading books each week.**

Have a lovely weekend.

Mrs Davies
