

Dear Parents,

We are delighted to announce that Genie Science club will be coming to Grayswood School this Summer term!

Check out our video to give you an idea of what we do...

<https://vimeo.com/524279300/2d1ed8e9ca>

There will be 11 sessions from Thursday 23rd April to 9th July 3.15-4.15pm (no session during May half term break) at a cost of £126.50

To book and make payment, please go to www.bookwhen.com/genielab

What do we do...?

We cover loads of science topics from pressure, chemical reactions, bubbleology and rocketry to hovercrafts, sound and optical illusion! Examples of the makes our children bring home include telegraphs, torches, Hex bugs, lava lamps and balloon powered cars. They also often work collaboratively in areas such as construction and design, in the past making their very own leaning Tower of Pisa!

In our years of experience, we have found that nothing can resonate better with children than a nurturing environment where they are able to get completely hands on and not be afraid to learn through trial and error. Skills learnt through our programme include communication and team work, analysing, data interpretation, hypothesising, measuring and classifying to name just a few.

Look forward to seeing you!
