Saturday 25th April - *Spring Fair*

Monday 4th May - *Bank Holiday*

Thursday 21st May - *Wrens Class Assembly*

Monday 25th May - *Friday 29th May* - *Half Term*

Monday 1st June - *Inset Day*

Friday 5th June - *Sports Day*

Notices

Lunches- Please remember to select your meal choices on Arbor.

Allergy Awareness Week: Next week, we will be recognising Allergy Awareness Week across the school. As part of this, all classes will take part in an age-appropriate lesson to help children better understand allergies, including what they are, how they can affect others, and how we can all play a role in keeping our school community safe.

A growing number of our pupils and staff members live with allergies, and it is important that all children develop awareness, empathy, and a sense of responsibility towards one another. These sessions will support pupils in understanding the importance of being mindful about food, sharing and following school guidance.

We hope this will be a valuable opportunity to build understanding and reinforce our shared commitment to ensuring a safe and inclusive environment for everyone.

Class Update

Mrs Woods received a wonderful warm welcome back from her maternity leave. She has loved spending time playing alongside the children and getting to know each of them.

In class, we have been learning about animals on the farm and matching mothers to their young.

The Wrens have produced some brilliant writing this week in the form of riddles. Using our knowledge of animals that we would find on a farm; the children have been writing clues and getting their classmates to guess the animal they have described! It's been lovely to see so many children enthused and wanting to write multiple riddles!

This week in phonics, we have been revising Phase 3 sounds. The children have been busy spotting these sounds in their reading and using them to help with their writing. Please do log reading at home in the reading record.

Wrens have continued to focus on the number 10 this week and have been finding number bonds to 10.

In PE we have been practicing our different types of throws.

Have a wonderful weekend,

Mrs Woods and Mrs Draper
