A **HUGE WELL DONE** to each and every Kite for working so hard this week with their SATS – each member of staff at Grayswood are so proud of you!! The children's attitudes were super, taking the week in their stride. They were relaxed and confident, knowing that a) they are prepared and b) putting in effort and doing their best is all that is asked of them. Kites have worked incredibly hard over the year and should be very proud of what they have each achieved. To celebrate, we have had a very fun day full of board games, ice-cream and extra play!

Next week, we will resume our normal timetable and begin planning for our play! So much still to pack into the last two months of Kites' primary school journey.

Have a super weekend!
Mrs Barnes 😊
