

YEAR 1 Woodpeckers

Class Teacher/s: Mrs Chow (Monday-Wednesday) Mrs Smith (Thursday and Friday)

Learning Support Assistant/s: Mrs Coxeter (Monday-Thursday) Mrs McQuillan (Friday)

Phonics Screening

The children have done so well this week. They have made phenomenal progress this year with their phonics and reading and we are proud of each and every one of them. They have impressed us all 😊 We are still within the test window, and the government are yet to release the pass mark. We will inform you with their results in a few weeks when their reports come out. In the meantime, the children should feel very proud of their hard work and achievements. Thank you also for your continued support at home, it really makes a difference to their confidence and progress.

Class update

Well done on a fabulous sports day Woodpeckers! I'm very sorry that I don't have any photos to share, I know some were taken though and they will appear on the main newsletter! I hope you all had a lovely time watching the children take part.

In English this week, the Woodpeckers have written their own fact files with excellent results. They began by choosing a subject and researching it, while practising their note-taking skills. They then carefully planned and created their fact files, remembering to include key features such as titles, bullet points, and a glossary. We were very impressed with their independence and creativity.

In maths, we have continued our unit on place value. The children have been partitioning numbers into tens and ones, developing their understanding of number lines to 100, and finding one more and one less than given numbers to 100.

Homework

The Friday phonics sheet follows this Friday note. Please do use this sheet to support the children at home and sign your child's reading diary to let us know how they got on. Please note the spellings at the bottom.

Have a lovely weekend!
