Costume list – reminder

Also, please find a reminder of the costume list. As the production is a mash-up of different acts and songs, the main costume for all children will be all black, with simple props that can be put on and removed quickly between performances. This will create a clean and coordinated look across the show. Thank you for your support with this. **Costume deadline has been extended.** Please could this be brought in by Weds this week. Thank you!
