

YEAR 4 SWALLOWS

Class Teacher/s: Mrs Coult and Mrs Fairhurst

Learning Support Assistant/s

Important diary dates and reminders

Henley Fort – Monday 20th – Wednesday 22nd

ARBOR – Please check that the information held on your Arbor app is up to date before we break up for the summer holidays. This includes details regarding medical conditions and dietary requirements so that new class teachers have access to the most up-to-date information available.

Class update

As we reach the final week of the academic year, we want to share how proud we are of every single child in Swallows Class. It has been an absolute privilege and a joy to teach them this year. We have watched them grow in confidence, kindness, and independence, and we will miss them all as they move on to Swifts with Mrs Breslaw. Before we head off for the break, we thought back to some of our classroom highlights and favourite memories from the year.

The children shone on stage during our fantastic rainforest assembly. Their confident speaking and enthusiasm for protecting the planet completely blew us all away – not every class can say they planned, organised and ran a fair to save three acres of the rainforest forever!

We are also proud of the sheer volume of reading the children have accomplished this year. Their dedication to diving into new books has massively boosted their vocabulary and imagination.

Our latest Design and Technology project was a popular one with the children designing, building, and modelling their own protective helmets. Maths with a giant bouncy ball to learn rounding up or down, science experiments and the floor is lava for the Young Leaders award all got a mention. The trip to Kew Gardens was lots of fun and of course, our experiment with Freddy the Fish. Grayswood's Got Talent was amazing today – lovely to see the acts and the great support from classmates.

Thank you to all of the parents and carers for your fantastic support, kind words, and partnership throughout this academic year. We could not be prouder of the Swallows. We wish you all a wonderful, safe, and restful summer holiday!

Home learning

There is no home learning this week other than to prepare for a wonderful residential and please tell us all about it in September!
