Summer Reading Challenge Reminder

A reminder that all pupils are encouraged to take part in the **Summer Reading Challenge** at **Haslemere Library** over the summer holidays. It's a fantastic way to keep children reading, discover new books, and enjoy a range of fun library activities. Children aged **7–11** may also be interested in joining the library's **Chatterbooks Reading Group**, which meets monthly on a Saturday. Further detail has been sent via the office. Happy reading!

Birthday: What a fab day, full of merriment! Many thanks for the kind cards, gifts and messages you sent in. All were very much appreciated.

Class update:

Another long, hot, tired week comes to an end, and with it, we can tick off some other end of year bits. The open afternoon was well-attended yesterday – thank you for departing with children and books so quickly. It was just too hot in the classroom to have more people in it and I'm sure the children all enjoyed being at home a bit earlier. This afternoon the children have enjoyed watching and/or participating in the Grayswood's Got Talent Show, a lovely way to bring the week to a close and as the name suggests, it seems that the school is indeed graced with some talented individuals! This morning, Robins also enjoyed their final Values Award Assembly of the year – well done to this term's deserving winner – and also participated in their final cricket session of Year 2. Thought not finalised yet, I believe the hope is that these sessions continue again for some year groups in the 2026/7 academic year, so keep an eye out for information regarding that.

Class work-wise, again, it's been little more than finishing off the final few niggly bits – the odd last assessment piece of writing here and there, but the biggest achievement was getting the Ferris Wheels completed AND being able to send all of these home with the books on Thursday. The children loved making them and seemed really pleased with their efforts once done. A pleasing final full week.

Spellings and Home learning:

None of either this week for obvious reasons. Thank you for supporting the children with both aspects across the year. It stands them in good stead for the way that expectations for both take a step up in Key Stage 2.

We're so nearly there now, just the 2 and a half days to go. What a year it has been. I still can't quite comprehend that it has passed as quickly as it has, but here we are at the end of a productive 3 terms in Robins. I hope you are able to use the next couple of days to help the children recharge as much as possible and help get them to the finish line next week. **Mr Stanton**
