Beach Trip – Our class trip to the beach is on Tuesday. The weather forecast is looking good. Children should be dressed in their PE kits. Please provide children with a sun-hat and ensure you have covered them in a high-factor sun-cream before they arrive at school. Children will need a suitable backpack/drawstring bag containing a packed lunch and a bottle of water or juice. Please also provide a spare change of clothes, as we will be paddling!

Class Update

This week in Wrens, we have been focusing on number formation in Maths. The children enjoyed playing bingo as a fun way to practise writing their numbers correctly. This is a really helpful skill to continue practising over the summer to help prevent any number reversals and build confidence with number formation.

In Phonics, we have completed our end-of-term assessments for Phase 4. You will find an update in your child's reading record, along with any sounds or skills that would be beneficial to continue practising at home.

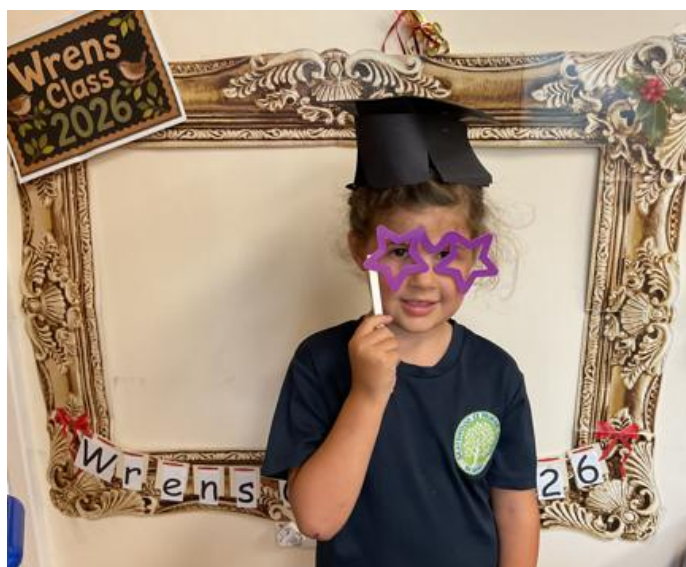

We finished the week by attending the Grayswood's Got Talent Show, and what a fantastic way to end the week! The children were captivated by the incredible range of talents on display and thoroughly enjoyed cheering on the performers.

Thank you so much for joining us for open afternoon, the children loved showing you their work and our classroom.

I am looking forward to spending the day at the beach with many of you on Tuesday to celebrate.

This is our final class newsletter of the year. I would like to say a huge thank you for all of your support throughout the year. It has been greatly appreciated. We wish you all a wonderful summer break when it arrives!

THANK
YOU!
