Notices

KIRFs – This half term our KIRF is to name numbers in order to 10 and compare 2 numbers by saying which is more or less. Please see our class page on the website for further information regarding the KIRFs.

PE DAYS – PE with either be on a Wednesday or Thursday depending on which forest school group they are in. If your child is in the Wednesday forest school group, they will have PE on Thursday. If they are in the Thursday FS group, they will have PE on a Wednesday. Please send your child in wearing their PE kit on their PE day.

On behalf of all the Wrens team and all the Grayswood members of staff, welcome to our wonderful school!

This is our weekly Friday Note that celebrates all the exciting learning that has taken place each week written by each year group teacher. It is available on the school website under 'Our Learning-Class Pages-Wrens- and then click on the tab 'Friday Notes'.

As well as detailing all the week's news, it also has important dates, activities linked to weekly learning that you could do at home and any important notices from us 😊

Class Update

Wow what an amazing start to the Wrens school year! As a team, we have been very impressed at how quickly the children settled and how confident they are to try new things. We're super excited for the year ahead of us! The aim of this week has been letting the children settle in and explore their new environment. They have been exploring the provisions inside the classroom and investigating what the outside area has to offer.

The class have all been amazing at eating their lunch and trying new foods. They are getting into the swing of how lunchtimes work and we are impressed with how many of them are getting to grips with using a knife and fork and their manners at the table.

Today the class have taken home their reading folders and in there is their home school communication book. We check the books daily for any general comments or questions you might have, please remember to date each entry. At the front of this book, you will also find the login details to access 'Seesaw' our online learning platform where you can view pictures of what your child has been up to in class.

Your child has also brought home an 'all about me' bag for them to fill. They can choose 3 items to go in the bag that will help them tell their new friends all about them. We will be sharing these over the next week, so please do not put anything too precious or breakable inside the bags. If possible, please do also include a family photograph.

Pick ups

When picking up your child at 3.10pm you will be allowed onto the playground. The front gate will be open at pick up times. Please walk towards the multi-coloured fencing and wait in front of it to collect your child. The class will wait behind the fence until we have seen the adult collecting them.

Next week we look forward to getting to know the children even better and spending more time together as a whole class.

Have a wonderful and restful weekend.

Mrs Woods and Mrs Smith
