Notices

KIRFs – This half term is to recognise quantities up to 5 without counting (subitise)

PE will be on Wednesday next week, please can children come in wearing their PE kits on Wednesday and Thursday next week.

Class Update

Today the class enjoyed eating their first Christmas lunch at school, the music was playing and the children enjoyed pulling crackers and celebrating with their friends. However, the highlight of the week has to be the two brilliant nativity performances by Wrens and KS1!

Our theatre trip was a huge hit; the class were fully engrossed in the show and I think Wrens definitely deserve an award for audience participation. The class were beautifully behaved and it was a truly magical experience enjoyed by all. Thank you to the parent helpers who volunteered their time 😊

I am overjoyed with how well the class did in their phonics assessments this week. They all have made such incredible progress. I will stick an update in their reading records next week for you to see. With

assessments, nativities and a school trip, we have only read their reading books once this week so please do read this over the weekend for added practice.

In maths we have been learning all about the number 5 and signing nursery rhymes e.g. 5 little ducks, 5 little monkeys and 5 current buns! We have also been comparing and ordering lengths to make Christmas tree pictures.

In our outdoor role play we have set up a Santa's workshop and it's been so lovely to observe the children's play this week. We've had elves with bells, Santa on his sleigh and presents being delivered to children who are 'asleep'

One week to go! Enjoy the Christmas Fair!

Mrs Woods
