Class Update

Welcome back! I hope you all had a lovely Christmas and New Year! As expected, Wrens have settled back in extremely well and seem to be ready for another half term of great learning. Though many are very tired so please do get a good rest this week in preparation for the full week ahead of us.

We started the week by recounting our Christmas holidays, it was great to hear all the lovely things the children got up to over the holidays and the fun they had. The children enjoyed taking their friend to the café to have a holiday catch up...though the café soon transformed into a pub! We have also been investigating waterproof materials.

In phonics, we have been recapping previously learnt graphemes and tricky words and it is great to see that many of the children kept up their reading over the holidays. As a result of their hard work, all the children have moved up to more challenging books. Please ensure you continue to read daily with your child to help build their stamina for reading and record this in their reading record to avoid receiving the same book twice.

Wrens have jumped straight into learning some new Phase 3 digraphs and applying these in their reading and writing. We have learnt: ai, ee and our first trigraph (3 letters making one sound) igh.

In maths we have been learning about shapes with 4 sides and sorting shapes based on their properties.

Have a lovely weekend,

Mrs Woods

Grapheme	Catchphrase	Pronunciation phrase
ai	 tail in the rain	Open your mouth wide and say ai ai ai
ee	 sheep in a jeep	Smile with your lips apart and say ee ee ee
igh	 a light in the night	Open your mouth in a relaxed way and say igh igh igh
