Housekeeping

A few important dates which are further away for your dairies –

Thursday 14th November – Trip to Bocketts Farm

Wednesday 22nd January – Year One Class assembly

Photos Needed!

To support our history learning on Monday, please provide your child with 3 pictures of themselves at various ages e.g. birth, aged 3, first day of Primary School. Many thanks.

In our science lesson next week we will be exploring our sense of taste. The lesson will be on Thursday 12th. We have an up to date allergy list and we will make sure children do not consume anything that they shouldn't be. We will have fun trying out foods such as gherkins, lemon, rocket, dark choc, salted pretzels, olives, strawberries and a bit of cake! Drop us an email or let us know if you have any queries. Thank you.

Class update

Welcome to Woodpeckers! We hope you all had a wonderful, restful holiday and are looking forward to a new school year. Just a couple of housekeeping bits to start:

- The Meet the Teacher PowerPoint from the summer term is on our class page of the website in case you missed the meeting
- PE days are Tuesday and Friday
- Reading books will be coming home next week
- Please return the 'One Page Profiles' ASAP
- Spelling homework will begin when the children have settled – probably after half term

Our focus this week has been settling in to our new class and getting to know one another.

In English this week we have been writing about our summer holiday and our teachers are really impressed with the quality of our writing. Next week we will be starting to write a fact file all about us.

In maths we have started the unit 'Place Value within 20'. We began sorting objects and then counting the amount of objects we had. Every day we practice this half terms KIRF – counting to 50 and beyond.

Enjoy the weekend!
